## **DETAILED ACTION**

### **Reason for allowance**

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Phase Random Access Memory with High Density having a second semiconductor region electrically connected to the phase-changeable film, defined within a second active region and separated from the first semiconductor region by an isolation layer; a phase-changeable film shared by the plurality of access transistors; and a component area comprising a plurality of phase-changeable films, wherein at least one phase-changeable film is electrically connected to an adjacent semiconductor region of an adjacent component area.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
